MEMORANDUM FOR: [redacted] STAT

FROM: Director of Central Intelligence

SUBJECT: Memo of Appreciation

I wish to thank you for the American flag associated with Lincoln's assassination. You have honored us by donating it to the Agency. It represents a particularly important contribution at this time since we are seeking ways to emphasize the Civil War antecedents of our compound. We plan to ensure that the flag is appropriately displayed here at Headquarters. Again many thanks for adding to our historical awareness.
